Prep Call for Rosemont Mine Meeting on 2 28 14.ics

The attached meeting invitation is for a 8:30a-9a prep/pre-brief tomorrow morning for Cynthia G, Ken K, and a variety of folks from HQ OW. I spoke with Trina and the large conference room in front of Abi's cube on the 18<sup>th</sup> floor will be available for whomever intends to call in from the Region. It is expected that Jared will call in from home before his commute.

I apologize for this late notice. I was never formally invited myself and just noticed that neither of you had been either.
